## ***Conflict Transformation Skills for Churches***

January 16, February 13, March 22, or April 10, 2021

9:00am – 4:30pm

Conflict is a normal part of life, even in the church, so it is important to know how to handle conflicts when they inevitably arise. Participants in this workshop will gain the understanding and the skills needed to prevent or minimize destructive conflicts. Learn what you can do to help transform conflict from a negative force into an opportunity for positive growth.

Members of groups can save \$15 apiece, provided they register all together with payment in full by the discount deadline. To be eligible for the discount, you must register at least four persons for the same session of the same event. The deadlines for the above sessions are December 31 for the January event; January 29 for the February event; March 8 for the March event; and March 26 for the April event.

## ***Healthy Congregations***

January 30, February 18, March 27, or April 17, 2021

8:30am – 4:30pm

*Healthy Congregations* uses the insights of family systems theory to help church leaders become more effective stewards of their congregation's health. This workshop helps both clergy and lay leaders expand their insight into how churches function as emotional systems. Join us for this practical training event and learn how you can help prevent anxiety from becoming a toxic force in your congregation.

Members of groups can save \$15 apiece, provided they register all together with payment in full by the discount deadline. To be eligible for the discount, you must register at least four persons for the same session of the same event. The deadlines for the above sessions are January 15 for the January event; February 4 for the February event; March 12 for the March event; and April 1 for the April event.

**All sessions of both events will be conducted online via Zoom.**
