

Pastoral Transitions

When a church goes through a transition of leadership, often times anxiety is felt among staff and the whole of the congregation. An anxious church is limited in promoting the work of the Gospel. If you and your church find yourself in the midst of a pastoral transition, consider hiring the Lombard Mennonite Peace Center for this two hour workshop to help you navigate this transition well.

This Workshop Will Help Your Church...

- 1) Focus on Spiritual Grounding
- 2) Understand the role of the departing Pastor
- 3) Understand the roles of other members of leadership
- 4) Understand the roles and responsibilities of remaining staff
- 5) Understand the role of the transition coach
- 6) Guide you in welcoming the arriving Pastor
